

# 6<sup>th</sup> Grade Health Wheel

Adam Stephen's Middle School  
Kelsie De Armond-Sattler (Mrs. D.S)

During Health Wheel students will be able to.. Discover habits that help keep the body healthy. Learn ways in which the body becomes unhealthy. Make healthy decisions by determining how their decisions affect the trajectory of their life. Explore reasons why people choose to make unhealthy decisions. Students will also identify resources they can utilize in the future for reliable health information. Students will also acquire skills and tools that will aid them with living a healthy (and hopefully happy) life long into adulthood.
